

Maids Moreton CE School

*Small enough to care; large
enough to inspire.*

Choosing the right start for your child is one of the most important decisions a parent can make. Here at Maids Moreton CE School, we recognise that each child is special with unique talents and qualities.

We offer:

- *A small school ethos for children aged 4-11 years of age
- *A lovely family atmosphere.
- *Exciting learning opportunities.
- *High standards of achievement.
- *Exemplary pupil behaviour.
- *Dedicated, caring staff.
- *Close working relationships with parents through our "Open Door" policy.
- *Excellent facilities in a rural setting.
- *Large, spacious classrooms and superb grounds, including a Forest School.
- *Wrap-around-care and before and after school clubs.

At the heart of our school are our core values and strong sense of family. Children flourish and quickly gain confidence within our nurturing, supportive and tight knit community. Our values provide consistency for pupils and help to promote excellent behaviour, positive attitudes to learning and set firm foundations for future life.

What OFSTED say: *"The calm, highly supportive and nurturing ethos ensures that everyone is appreciated in your vibrant school. You have a clear and ambitious vision with a relentless determination that every pupil achieves their best."*

Our staff are dedicated and passionate about developing the whole child. We share very high expectations to ensure all children reach their full potential. We have a proven track record of high attainment and excellent pupil progress.

Our attractive and spacious rural site provides a wealth of opportunities for outdoor learning and exploration, including a pond area and a thriving Forest School.

We are a school at the heart of the community and play an active role in village life. We participate in village events such as the village scarecrow competition and maintain longstanding traditions such as Maypole dancing on May Day.

What our parents say: *"We are very impressed with everything that is offered. From the teaching to the extracurricular activities, from the support and care given to the facilities available and provided. Maids Moreton is a wonderful school. Our children are exceptionally happy here and are making great progress in all areas. Thank you for all you do."*
