

Unit Overview Science

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
KS1 Year A	Wonderful Weather-cross curricular geography	Seasons and weather: Autumn and Winter	Animals	Seasons and weather: Spring and Summer	*Plants [Identification, structure]	Plants: growth and conditions
KS1 Year B	*Humans – senses, growth, and body parts.	*Humans – exercise, nutrition, hygiene-see PSHE	Everyday Materials	*Use of everyday materials.	Living things and their habitats- minibeasts	*The environment [LKS2 and UKS2 progression through geog and PSHE]
LKS2 Year A	Light	Rocks	Forces and Magnets	Plants	Animals including humans: skeletons, muscles, nutrition	Scientists and Inventors
LKS2 Year B	Living things and their habitats- classification/keys	States of Matter	Electricity	Sound	Animals including humans: Teeth and digestion	Scientists and inventors
UKS2 Year A	Living things and their habitats- reproduction plants/animals	Earth and Space	Forces	Properties of and changes in materials	Animals including Humans- puberty, gestation, human lifecycles	Scientists and inventors
UKS2 Year B	Animals including Humans- circulation.	Light	Evolution and inheritance	Electricity	Living things and their habitats- microorganisms	Scientists and inventors

Humans

Living things and their habitats

Materials

Light

Plants

Forces

Earth and Space

Electricity

Scientists and inventors
