

Maids Moreton CE School: Governor Information.

Governors hold an important public office and their identity should be known to their school and wider communities. In the interests of transparency, a governing body should publish on its website up-to-date details of its governance arrangements. Details of our governors are listed below.

Mrs Caroline Reece

I joined Maids Moreton CE School as KS1 class teacher in 2020 and later became Staff Governor in September 2022. I am a member of the Curriculum & Standards Committee and this allows me to further help in shaping, delivering and monitoring a rich and engaging curriculum, so that all of our pupils can achieve their potential.

I am a Mum of three young children, my eldest of which currently attends the school, and in my spare time enjoy visiting the coast, shopping and dancing.

I'm proud to be part of a very special village school and am passionate in ensuring it continues to thrive.

Rev. Hans Taling

The Foundation Governors support and encourage the school in all its activities, but are especially involved in questions of ethos and Christian distinctiveness. The Foundation Governors also maintain contacts between the school and the Department of Education of Oxford Diocese, as well as fostering close links between the school and the local community. I am a member of the Resources Committee and assume the role of the Health and Safety Governor.

I have been an active member of the PTA since 2014 and currently hold the position of Treasurer. I was previously the Chair for 4 years so I have a good day to day knowledge of the school. In my wider role I have been a form tutor, and more recently the lead for PSHE including implementing RSE education. I am also an examiner for the Associated Board of the Royal Schools of Music. In my spare time I like to spend time with my 6 grandchildren and on my allotment in Maids Moreton. I am a member of the Curriculum and Standards Committee.
