Visitors and Volunteers Procedures

Before starting as a volunteer you need clearance by school through the DBS process. The school administrator will guide you through this process. For security and fire regulation purposes, please ensure that you sign in and record your time of arrival and departure in the visitors' book in the entrance hall. We draw to your attention the evacuation procedures in the event of fire or emergency. Please also collect a visitor lanyard which must be worn throughout your visit.

The children are instructed not to open the main door, again for safety reasons. Please do not think them rude if they do not open the door when you are waiting. Please ring the bell on the intercom system and a member of staff will let you in. Visitors must report to the school administrator who will be happy to direct you to the person with whom you will be working.

The teacher with whom you are working, will discuss the purpose of your visit and will be there to support you at all times. A teacher should be within the vicinity of your work. All visitors should be willing to abide by the Confidentiality Policy and Safeguarding Policies which are available to view on our school website. Any concerns must be reported to the Head Teacher.

Please do not hesitate to contact us if you have any queries. We hope you enjoy your time with us and we are grateful for your contribution and support.
