20. I would recommend this school to another parent	100%					

Thank you so much to those parents who used the free text box to make such appreciative and constructive comments.

As head teacher, I feel it is important to read all of your comments and to share them with all members of staff. We work as a team with each individual making a valuable contribution to the success of the school. They all deserve to read the praise and receive the recognition of their commitment, hard work and skills.

I have arranged all your responses below. [Quotes taken directly from the questionnaires]

My child has had another brilliant year at Maids Moreton. despite it growing in size Maids Moreton maintains the very special feel and caring ethos it has always had.

My children continue to flourish at this school. I've nothing but praise for the staff and am thankful for all that they do.

We are so impressed with the high standards combined with the sense of fun we have experienced this year, and the lovely community amongst the children. Thank you all for your hard work.

A wonderful school that effectively meets the needs of my child. This is mostly due to a very talented and committed staff at the school.

Maids Moreton school has been instrumental in shaping my child's self confidence and he is extremely happy there. I feel they have his best interest at heart and will encourage him to improve and strive so we are ever grateful!

My son is nearing the end of his reception year and he has completely thrived and we continue to see him grow at home too. I feel the school have given him a great start to schooling and he skips in every morning excited to learn. As a parent that's the best thing - to see school be welcoming and inviting. We look forward to seeing him go through the school alongside his siblings!

Thank you for everything that you do for the children at the school. Our daughter is very happy here.

Our daughter has really settled at Maids Moreton over the last year and loves school.

We have loved being a part of the Maids Moreton school community this year. Whilst sometimes it is difficult to attend all events that take place during the day due to work commitments, we have tried our best to and have really enjoyed them and the seeing the enjoyment that the children get from taking part in them. We like the regular updates on Tapestry which give us an insight into what the children are learning although sometimes would find a gauge of whether our child is working at expected levels in these tasks would be helpful/interesting. The S4A clubs have been brilliant and have really supported our routines as a family. The termly curriculum documents/overviews have been very informative and we enjoy reading these and referring to activities at home. It is abundantly clear how much time and effort goes into all of the above and how committed the staff are to making the school a safe and enjoyable learning environment for the children. Thank you.

I just wanted to say that my children feel extremely happy, safe and well looked after at school! The school has stepped up amazingly well into KS2 and the staff have been amazing!

Maids Moreton School provides a brilliant setting for my son - he is happy, confident and well-supported and really enjoys the lessons. Mr Troup and Mrs Roche provide enjoyable and stimulating lessons and my son is often inspired to continue the work at home of his own accord. Mr Troup is very good at setting him work that is challenging but achievable (particularly in maths), and he loves rising to the challenge. All staff are friendly and approachable.

Thank you for all your feedback.

Keira Ainsworth
