

summer 2nd Half Term Curriculum Information for Reception

Under The Sea

Welcome back everyone! During our final term we will be diving into the oceans for our topic, 'Under the Sea'. The Reception Team have been working hard to plan lots of exciting learning opportunities and experiences for the children.

Our first stop will be to create our mind maps and prepare the role play areas with the support of the children guiding our planning. Please bring in any home learning ready for us to put up onto display.

Ways to support your child's learning at home

- Have a go at some of the activities on the Home Learning sheet. Children can choose to complete as many of the activities as they wish. Children can choose how to record their learning. All work will be celebrated and displayed in the classroom.
- **Please continue to read daily with your child and comment in the reading diary. Children that read at least 4 times will be entered into the reading raffle.**
- Remember to look at the tricky words and to now start learning how to spell the words in preparation for Year 1.

Other information

- Monday 1st June - School reopens for pupils
