Thank you so much to those parents who used the free text box to make such appreciative and constructive comments.

As head teacher, I feel it is important to read all of your comments and to share them with all members of staff. We work as a team with each individual making a valuable contribution to the success of the school. They all deserve to read the praise and receive the recognition of their commitment, hard work and skills.

I have arranged all your responses below. [Quotes taken directly from the questionnaires]

Thank you for all your feedback.

Keira Ainsworth

Head Teacher

Our son has thrived during his 7 years at Maids Moreton, will be very sad to leave and treasure the memories he has made here. The school has provided a wonderful start to his education for which we are very grateful. [Y6 parent]

MM has been an amazing school for my son . The care and education that he has received has been absolutely amazing! The staff have looked after his well being and given him every opportunity to thrive. Thank you. [Y6 parent]

My child absolutely loves this school and I wouldn't want them anywhere else. [Y2 parent]

We are so incredibly happy with the school and Reception team. The teachers and teaching assistants are absolutely amazing and truly go above and beyond every single day. Our son loves coming to school, which says everything. The care, patience and dedication they show is outstanding, and the progress he has made has been wonderful to see. We feel so grateful that he is supported by such kind, nurturing and inspiring staff. We really couldn't ask for more. [YR parent]

Maids Moreton has been such a gift to us as parents - to see our children flourish under such continued care is so brilliant. [Y5 parent]

Maid's Moreton is nurturing and takes time to cater to a child's individual need - supporting each child to succeed in all areas they are showing a keen interest in and allowing them to feel confident to participate in all aspects of school life. [YR parent]

I would like to express my sincere thanks to Miss Ainsworth and the entire school team for all the hard work and dedication that goes into making the school such a positive and happy environment for the children. [Y5 parent]

My daughter has been nurtured at the school to really gain confidence and a love of school. This has been due to the opportunities and support she has received and especially the extra care and support Mr Troup gave her. Thank you. [Y6 parent]

Maid's Moreton school is such a caring and kind community. All of the staff work exceptionally hard to make sure the children feel safe, happy and thrive within the school environment. We would not hesitate to recommend the school. [Y3 parent]

Every year, my child (who is not a fan of school in general) comes out happy at the end of the day. She has loved and learnt from all her teachers over the years. But has a special love and respect for Mrs Littlewood, who has enriched her education in so many ways. [Y6 parent]

Our daughter is very happy at Maid's Moreton and often tells us she loves school. The school has been proactive in ensuring she reaches her potential and has been supportive with resolving some minor friendship issues [Y3 parent]

With a child who has complicated ever changing medical needs we have been so supported and we are so grateful for the level of care and understanding we receive from the school and all the staff. [Y2 parent]

Information is always thorough, would be good if key dates could be sent separately for different years so you are not sifting through all

the dates trying to work out which apply to your child but that's a nice to have not a criticism. [Y1 parent]

Brilliant year in Reception so far. The only (slightly) negative thing my son has had to say is that he misses the Forest school at his old nursery. [YR parent]

Overall very happy with the school as is my child. [Y5 parent]

For Q4 I only put agree instead of strongly agree because while the school has high expectations for behaviour I believe that the school also understand that all the children are young and need to learn as they grow through school and they will have days where they may be a little off so while you expect very good behaviour you also understand some days they might not be perfect (but not naughty) which is reassuring as a parent. My child is very happy at school but does occasionally tell me he doesn't like school but this is not due to anything the school has done he tells me it's because he misses me and wants to be with me. Overall I am very pleased with how this school year has gone for my child and I want to say a huge thank you to the teachers for working so well and supporting him to help him learn and grow, they have been amazing with communicating with me and keeping me informed.
