

Maids Moreton CE School: Governor Information.

Governors hold an important public office and their identity should be known to their school and wider communities. In the interests of transparency, a governing body should publish on its website up-to-date details of its governance arrangements. Details of our governors are listed below.

Name of Governor	Governor Details
Miss Keira Ainsworth 	I have been the Head Teacher of Maids Moreton CE School since September 2011 and am responsible for the day to day running of the school, ensuring that the quality of teaching, as well as pupil progress and attainment are of a very high standard. I am also responsible for recruitment, health and safety, Special Educational Needs, Pupil Premium, Safeguarding, Collective Worship, RE, science, assessment, staff training and premises management. Maids Moreton is classed as a small school which is where my passion lies. I aim to ensure that at Maids Moreton, the children receive the best possible start to their educational journey. In my role, I work closely with the governors to help to achieve this aim. I am very proud to be the head teacher of our fantastic village school.
Mr Immanuel Ashokaraj 	I was invited to become a Foundation Governor in 2015 and I am a member of the Resources Committee. I am a resident of Maids Moreton and my daughter attended Maids Moreton CE School from 2014-2017. I work locally in Buckingham as a Senior Navigation Engineer (Algorithms). I attend church at Maids Moreton and as a Foundation Governor my role includes strengthening the links between the school and the local church.
Mr Alistair Brizell 	I joined the Maids Moreton Governor team as a Parent Governor in October 2018 and became Chair of governors in 2022. In 2022, I became a Foundation Governor. I have lived in the Buckingham area for over 15 years and currently have one child at the school. Originally I trained as a Chemist but subsequently converted to engineering and I now work in Milton Keynes at Red Bull Racing F1 as an Aerodynamicist. Outside of work I keep fit by running, cycling and keeping-up with three young children. I am a member of both the Curriculum & Standards and Resources committees.

I am the Rector of St Edmund's Church, Maids Moreton. Maids Moreton C E School maintains strong links with the local church. The Foundation Governors support and encourage the school in all its activities, but are especially involved in questions of ethos and Christian distinctiveness. The Foundation Governors also maintain contacts between the school and the Department of Education of Oxford Diocese, as well as fostering close links between the school and the local community. I am a member of the Resources Committee and assume the role of the Health and Safety Governor.
