## Art. Lower Key Stage 2

### Insects

### Key Vocabulary

**Sketchbook:** a pad used by artists for drawing or painting as part of the creative process.

**Plasticine:** a putty-like modelling material.

**Oil pastel:** a stick which consists of colour pigment mixed with oil and wax.

**Mosaic:** a pattern or image made of small regular or irregular pieces of stone, paper, ceramic or glass.

**Shadow puppet:** a flat cut out figure used in storytelling held between a source of light and a translucent screen.

**Sculpture:** a 3d work of art

**3D model:** a representation of an object on 3 dimensions

### Art skills and Media

We will learn how to:

**Draw** insects using drawing pencils.

Use **oil pastels** to make vivid drawings.

Design a paper **mosaic** insect.

Make an insect **shadow puppet** for a performance.

Use **newspaper** to make a **3D insect model**.

Use **modelling materials** to add features to the insect model

Use inspiration from famous artists to create own work

### Artist influence

Louise Bourgeois

1911-2010

Jennifer Angus

1961-
