### **Safeguarding Statement**

We aim:

- to ensure that children within our school feel safe at all times
- to ensure that all stakeholders are safe and feel that they are able to put the welfare of the children first without concern that there will be any negative consequences attached to their actions
- to ensure that all adults who work and volunteer in school have been properly vetted and cleared as suitable to work with children.
- to ensure that all adults who have contact with children in school have received up to date training to undertake their safeguarding responsibilities effectively

Maids Moreton CE School is committed to safeguarding and promoting the welfare of all its pupils. We will always take a considered and sensitive approach in order that we can support all our pupils and we recognise that each pupil's welfare is of paramount importance.

Our Safeguarding Policy applies to all adults including volunteers working in or on behalf of the school. It is an overarching document which demonstrates how everyone working in, or for our school, shares the objective to help keep children safe from harm. Our full Safeguarding Policy is available to view on this website. Paper copies can be requested from the school office.
