

School Council March 2017

'With great power comes great responsibility'

As a whole school we have worked hard to raise money for our school council. We decided that we wanted to buy superhero masks and capes for our playtimes.

Benefits of our superhero play

- *Superhero play helps a child identify with their own abilities.*
- *Pretending to be a brave superhero can help children imagine what frightening experiences are like and how to conquer them.*
- *Helps children to feel more comfortable with trying new things, as it gives them power and strength.*
- *Dramatic play and learning to understand concepts and rules.*
 - *Helps with problem solving and finding possible solutions.*
 - *Develops creativity.*
 - *Extends vocabulary and language skills.*
- *Develops empathy skills when pretending to be someone else and imagining how others feel.*
