

Put something a-MAIZE-ing in the HARVEST SACK!

Print onto a sheet of lightweight card (A3 or A4 minimum 120gsm), colour it then cut it out on the black lines (also cut out the grey slot), fold on the dotted lines and glue the flaps to the inside of the box so no one can see them, or use sticky tape on the outside. Write your details on the box and fill with coins to fill the tummies of hungry children in Kabubbu, Uganda.
